AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Canal Emmanuel Vasiliki (State whether Master, First or Second Officer) of the S.S. Asia, from ~~Havre~~ Le Havre, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ~~27~~ 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the entry "yes" or "no" as the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head both of race and of nationality does not mean "French" by race or people, and, similarly, "French" appearing under the heads of race and of nationality does not mean "France" by country. An Irish, German, or Hebrew alien by race is properly enumerated under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entry in column 11 should show the town, city, or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The exact full name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence for one year shall constitute permanent residence. The entry should show not the place of temporary or transient future residence, if within the United States, but only the place for United States.

Column 15 (*Whether having a ticket through, and whether prepaid*).—The answer should be either Yes ticket or No ticket.

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1891, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet are subject to cession by inspection officers in the examination of aliens. **However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.**

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Canal Commander Master (State whether Master, First, or Second Officer) of the S.S. Asia, from ~~Hamilton, Bermuda~~ Foreign Ports, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ~~27~~ 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, males; or F, females.

Column 6 (*Married or single*).—The answer should be M, married; S, single; Wd, widowed; or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9, *Nationality*.—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*The race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of the entry does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien becomes a citizen or subject of the country under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether he came from Cuba or other island of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or anticipated residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. For important statistical purposes that steamship companies accurately show country of last permanent residence rather than country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should show name and address of alien's relative living in such country, or other friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence within the meaning of this question. The place to be entered is the place of intended future permanent residence, if within the United States, regardless of whether the United States is the country of alien's ultimate destination.

Column 14 (*Whether in possession of $50 and whether going to join relative or friend, and name and address of such relative or friend*).—The answer should be either Yes or No, as the case may be.

Column 15 (*Ticket purchased and paid for by whom*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of railroad ticket to final destination*).—The answer should give in each case the ticket destination as shown by the ticket and not as shown by the alien. Money brought by the head of a family to cover the transportation of the several members of the family should be considered as tickets covering the several members of the family.

Column 17 (*Whether ever before in United States, and if so, when and where*).—The entries should show whether or not (Yes or No) alien has been in the United States before, and if so, the year or period of years and place (e. g., 1891, 1895, Philadelphia).

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to research by inspection officers in the examination of aliens. However, to answer question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Chaix Antoine, Surgeon of the S.S. Asia, employed by owner, do
(State whether "surgeon sailing therewith" or "employed by owner thereof," as the case may be)
solemnly, sincerely, and truly declare that I have had 22 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Academy of Medecine of
[illegible], and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Canal Emanuel Watter (State whether Master, First, or Second Officer) of the S.S. Asia, from ~~Marseilles Line~~ Bruxelles, do solemnly, sincerely, and truly ~~declare~~ that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] F. Canat

Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies rather than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants), whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give, in each case, individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

299

I, Chaix Antoine, Surgeon of the S.S. Asia, employed by owners, do solemnly, sincerely, and truly declare that I have had 22 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Academy of Medicine of Toronto, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 28 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.)

C. Chaix

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Canal Commanding Master, of the A.I. Asia, from Marseilles, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided into 4 and contains the following question, "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the fact and facts in such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of Eastern, Southern, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these peoples speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection others in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Chaix Antoine, Surgeon of the S.S. Asia, employed by owners, do
(State whether "Surgeon sailing therewith" or "employed by owners thereof," as the case may be)
solemnly, sincerely, and truly declare that I have had 22 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Academy of Medicine of
Toulouse, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 29 in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Canal Emmanuel, Master of the S.S. Asia, from Marseilles, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, farmer, carpenter, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cubans of the white race, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the residents of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or unintended residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining for a year or more shall be the last permanent residence regardless of length of actual residence there. The entries required should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less than $50, how much*).—The answer should, in each case, be individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1901–1907, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Chaix Antoine, Surgeon of the S.S. Asia, employed by owners, do
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)
solemnly, sincerely, and truly declare that I have had 22 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Academy of Medecine of Toulouse, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head Tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or dialect?" If exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, who, after residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join father, a relative, or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to review by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8: *Able to read and write*.—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect of the alien able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reentry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinction should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1904–1907, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2, Head tax status.—Steamship lines should make no entries in this column. This space is for use of Government officials only.

Column 4, Age.—The answer in this column should be expressed in years, or if under 1 year, in months, the latter applying only to infants under 1 year of age.

Column 5, Sex.—The entry should be either M (male) or F (female).

Column 6, Married or single.—The answer should be M (married), S (single), Wd (widowed), or Div (divorced).

Column 7, Calling or occupation.—The entry should describe as accurately as possible the occupation, trade, or profession of each person arrived, as, for example: Clerk, seamstress, stenographer, housekeeper, housewife, farmer, engineer, brassfinisher, steelworker, machinist, woodturner, etc., or if [illegible] simply, as servant, laborer, child, etc.

A distinction should be made between farmers and farm laborers, by stating whether the one or the other is shown, as follows:

A farmer is one who operates a farm, either for himself or for another.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections by the immigrant inspectors, if necessary, by the inspectors and deputy clerks during the period of examination at the docks.

Column 8, Able to read and write.—This column is to be filled in to contain the following specification: "Read" but not write [or if exemption is claimed, upon which ground]." The answers to this question are to be limited to persons 14 years old and over. It is not intended to record mere ability to read and write, exemption from the reading requirement, the ground for exemption claimed, or the like.

Column 9, Nationality.—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10, Race or people.—See list of races printed on back of this sheet. The entry should indicate the race to which the alien belongs.

Special attention should be paid to the distinction between race and the country of which the person is a subject, citizen, or denizen. For instance, natives of Scotland, England, Ireland, Wales, and the British Provinces should be described as Scotch, English, Irish, Welsh, and Canadian, respectively, and not as British, which is the designation of their political allegiance. Natives of Germany should be described as Germans, and not as Prussians, Bavarians, Saxons, Hanoverians, etc., unless they distinctly state that they are subjects of those States. Persons born in Austria should be described as Austrians, Hungarians, Bohemians, Croatians, Slovenians, Dalmatians, Galicians, Transylvanians, Ruthenians, Bukovinians, Czechs, Slovaks, Poles, Slovenes, Croats, Servians, or Roumanians, according to the statement of each. Persons born in Turkey should be described as Turks, Armenians, Greeks, Syrians, Arabs, Albanians, Roumanians, Montenegrins, Servians, Bulgarians, Slavs, Croats, Slovenians, Dalmatians, Herzegovinians, Bosn

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—A steamship has a head tax levied against it for each alien landed in the United States. The space is left open for the use of Government officials.

Column 3. *Class.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Name.*—The entry should be surname, Christian name, and middle name.

Column 6. *Married or single.*—The answer should be Married, Single, Widowed, or Divorced.

Column 7. *Calling or occupation.*—The entry should describe as completely as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, shoemaker, tailoress, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as laborer, mother, molder, farmer, or other indefinite statement.

A distinction should be made between farm laborers, regardless of the amount of muscle shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the more ordinary purposes.

Such persons should indicate this distinction on the manifest, and corrections should be made, if necessary, by inspectors examining them during the personal examination of the aliens.

Column 8. *Nationality.*—The column is to be filled in to indicate the country to which the alien belongs. Read what I say as to if exemption is claimed upon wife or parent. In answering this question, the nationality or race of the immigrant is to be stated, and not the country of which he may be a citizen or subject.

Column 9. *Native language.*—Question 9 should be construed to mean the country of which he is a native or subject.

Column 10. *Last permanent residence.*—Each of these is printed on back of this sheet. The entry should show the country of which the alien was last a resident.

Column 11. *Intending permanent residence in the United States.*—The answer should be Yes or No. Permanent residence is to be determined by the intention of the alien at the time of his application for admission. Intending immigrants should be questioned carefully by the inspection officers, and their answers recorded by the clerks in the record. For instance, if an alien appears under the contract labor law, he may be questioned carefully, and if his answers indicate that he intends to return to his native country after performing the labor for which he was imported, he should be refused admission. Similarly, if a person appears to be coming to the United States for the purpose of engaging in some business, trade, or profession, and it appears that he intends to return to his native country after he has established himself in such business, trade, or profession, he should be refused admission. Any doubt or uncertainty should be resolved against the admission of the alien. Applicants for admission coming to the United States to study, and then return to their native country, are not to be considered immigrants. Persons who have been in the United States and who have gone abroad temporarily for business or pleasure, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants. Aliens who have been in the United States and who have gone abroad to escape the draft during the war, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants. Aliens who have been in the United States and who have gone abroad to fight in the war, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants. Aliens who have been in the United States and who have gone abroad to work in the war industries, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants. Aliens who have been in the United States and who have gone abroad to visit relatives or friends, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants. Aliens who have been in the United States and who have gone abroad to study, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants. Aliens who have been in the United States and who have gone abroad to work in the war industries, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants. Aliens who have been in the United States and who have gone abroad to visit relatives or friends, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants. Aliens who have been in the United States and who have gone abroad to study, and who intend to return to the United States to resume permanent residence, are not to be considered immigrants.

Column 12. *Ever in U. S. before? (Yes or No).*—The answer should be either Yes or No.

Column 13. *Last time arrived U. S.*—The entry should show definitely by whom passage was paid, whether by himself, by friend or other relative, by immigrant steamship company, etc.

Column 14. *How paid for journey? By whom and if now in U. S. how obtained?*—The answer should give in each case the exact amount of money in the possession of the alien when shown. Money brought by the head of a family should be considered as in the possession of the members of the family.

Column 15. *Where going? Intended future permanent residence in United States, and if so, where and whom?*—The entries should show the name and address of the person in the United States before, and if so, the year or period of years and place, as 1891–1894, Philadelphia.

Column 16. *Relative or friend in U. S. to whom going, and if so, what relative or friend?*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and address.

Column 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are to be given by inspection officers in the examination of aliens. However, in answering question 26, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ITALIAN, NORTH.

The people who are born or have been in that part of the Kingdom of Italy on the north of the River Po, in northern Italy, i. e., compartments of Piedmont, Liguria, Venetia, and Lombardy, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that part of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 17. *Final destination (State).*—A final or an intended residence of one year shall constitute compliance with the law. The entry should be the State in which alien resided with the intention of remaining one year or more, whether his last permanent residence or not, regardless of the fact of residence therein. The entries should be the State, and city or town of last permanent residence. It is important for statistical purposes that these entries accurately show country of last permanent residence, independent of country of birth, nationality, or race.

Column 18. *Last permanent residence in the United States.*—This question is to be answered by persons who are permanent residents of the United States and who return to the United States after a visit abroad. The entry should be "United States."

Column 19. *Name and address of nearest relative or friend in country whence alien came.*—The entry should be the name and address of the alien's relative. If no such relative living, give name and address of friend.

Column 20. *Ticket destination.*—The answer to this question shall show the intended future permanent residence. Any right to return to the United States shall not constitute permanent residence. The entry should be the place of intended future permanent residence within the United States, or outside the United States.

Column 21. *Whether in possession of $50 and whether ever before in U. S.*—The answer should be either Yes or No. Any amount of money in excess of $50 should be considered as $50.

Column 22. *By whom passage paid.*—The entry should show definitely by whom passage was paid, whether by himself, by friend or other relative, by immigrant steamship company, etc.

Column 23. *How much money in possession? Whether ever before in U. S.?*—The answer should give in each case the exact amount of money in the possession of the alien when shown. Money brought by the head of a family should be considered as in the possession of the members of the family.

Column 24. *Whether going to join husband or other relative in U. S.?*—The answer should be Yes or No.

Column 25. *Whether ever in U. S. before? If so, when and where?*—The entries should show whether the alien has been in the United States before, and if so, the year or period of years and place, as 1891–1894, Philadelphia.

Column 26. *Whether going to join husband, wife, or friend, and if so, what relative or friend?*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and address.

Column 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are to be given by inspection officers in the examination of aliens. However, in answering question 26, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax entry.* — Steamship lines should make no entry in this column. The space is for use of Government officials only.

Column 3. *Age.* — The answer in this column should be expressed in years, or months, the latter applying only to those under 1 year of age.

Column 4. *Sex.* — The entry should be either M or F, for male or female.

Column 5. *Married or single.* — The answer should be M, married, S, single, Wd, widowed, or D, divorced.

A distinction should be made between farmer and farm laborer, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and the examining officers should be careful, if necessary, by inquiries and reentry cards during the period of examination, to check up errors.

Column 8. *Able to read and write.* — This column is divisible into two parts, the first to show ability to read, and the second ability to write. In answering this question the word "yes" entered once in each part will be sufficient. Persons who are able to read, and claim exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which a person is a citizen or subject.

However, no answer to question 20 is called for except in the case of persons who have been deported previously from within one year and the Secretary of Labor has authorized them to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully scanned by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by birth might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head-tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male; or F, female.

Column 6. (*Married or single.*—The answer should be M, married; S, single; Wd, widowed; or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8. (*Able to read and write.*—This column is subdivided and contains the following questions: Read what language [or, if exemption is claimed, upon what ground]? In answering this question the language or dialect of the alien capable to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. (*Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the heading country does not mean "French" by race or people, and, similarly, "French" appearing under the heading race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race must be properly accounted for under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 16. (*By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17. (*Whether in possession of $50, and if less, how much.*—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. (*Whether ever before in the United States; and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19. (*Whether going to join relative, or friend; and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E. Haslett Frazer, Surgeon of the "ESSEQUIBO." (state whether regular surgeon sailing the vessel or employed by owners thereof as the case may be), do solemnly, sincerely, and truly that I have had three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Dublin University, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before examination of the aliens at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure but no examination of aliens need be made thereon.—Commissioner of Immigration.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money thereon, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—Those questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Last Residence.* Steerage passengers should make entries in this column and in column 3 as indicated in the headings.

Column 3. *Destination.* The entries in this column should show the State in the United States which is the applicant's intended future home.

Column 4. *Whether Married or Single.* The answer should be M (married) or S (single).

Column 5. *Age.* The age should be entered as of last birthday. Infants under one year old should be entered as 1 month old, 2 months old, etc., according to the number of months.

Column 6. *Sex.* The answer should be M (male) or F (female).

Column 7. *Color and Race.* The color should be stated as white, black, or mulatto. The race should be stated as Anglo-Saxon, English, Irish, Scotch, Welsh, German, Swedish, Norwegian, Danish, Dutch, Flemish, French, Spanish, Portuguese, Italian (North), Italian (South), Semitic, Bohemian, Moravian, Slovak, Polish, Russian, Finnish, Magyar, Hebrew, Armenian, Greek, Lithuanian, Croatian, Dalmatian, Servian, Bulgarian, Roumanian, Mongolian, Japanese, Chinese, Turanian, Hindu, Indian (native), Negro, Black, Mulatto, Pacific Islander, East Indian, or other race.

A husband and wife should not be described as of different races.

A person of mixed white and African blood should be described as of the African race.

A person coming from any country in Africa, Australia, or the islands of the Pacific, or from the West Indies, Central America, South America, Europe, Asia, or the Atlantic or Pacific Islands, should not be described as a native of the United States.

Natives of Cuba, Porto Rico, Hawaii, Philippine Islands, Panama, Canal Zone, Tutuila, Tau, Olosenga, Guam, Virgin Islands of the United States, and Alaska, if not citizens of the United States, should be described as natives of the countries in which they were born.

Persons born in Canada, Newfoundland, Mexico, Central America, South America, Cuba, Porto Rico, the West Indies, Europe, Asia, Africa, Australia, or the islands of the Pacific, except natives of the United States, Panama, Canal Zone, Tutuila, Tau, Olosenga, Guam, Virgin Islands of the United States, Alaska, Hawaii, and Philippine Islands, should be described as natives of the countries in which they were born.

Persons born in the United States who have resided in Canada, Newfoundland, Mexico, Central America, South America, Cuba, Porto Rico, the West Indies, Europe, Asia, Africa, Australia, or the islands of the Pacific, should not be described as natives of the United States.

Persons born in Panama, Canal Zone, Tutuila, Tau, Olosenga, Guam, Virgin Islands of the United States, Alaska, Hawaii, and Philippine Islands, who have resided in Canada, Newfoundland, Mexico, Central America, South America, Cuba, Porto Rico, the West Indies, Europe, Asia, Africa, Australia, or the islands of the Pacific, should be described as natives of Panama, Canal Zone, Tutuila, Tau, Olosenga, Guam, Virgin Islands of the United States, Alaska, Hawaii, or Philippine Islands, as the case may be.

"African Black" or "African Negro" should not be entered as the race or people to which any person belongs. Any person with any trace of African blood should be classified under the heading African Negro.

Column 8. *Nationality.* The nationality of each alien should be entered. Nationality means allegiance to a country. Thus, a native of Scotland, Wales, England, Ireland, Canada, Australia, or India, who is a British subject, should be described as a British subject, and not as a native of Great Britain, Scotland, Wales, England, Ireland, Canada, Australia, or India.

Column 9. *Last Permanent Residence.* The entries in this column should show the country in which each alien has resided for a year or more immediately preceding the date of sailing. Mere visits of pleasure or business to other countries should be disregarded. Steerage passengers should make entries in accordance with the instructions for column 2.

Column 10. *Seaport for Landing in United States.* The entries should show the seaport at which each alien intends to land in the United States.

Column 11. *Final Destination, if Not Stopping Over.* The entries should show the ultimate destination of each alien, if he intends to pass through the United States in transit to another country. If he intends to stop over in the United States, the entry should be "Stopping over."

Column 12. *Whether Ticketed Through to Final Destination.* The answer should be either Yes or No.

Column 13. *Whether in Possession of Money, and How Much.* The entry should show definitely for each alien whether he has money and how much. Steerage passengers should make entries in accordance with the instructions for column 2. The amount of money in possession of each alien should be stated in dollars and cents. Mere statements that the alien has sufficient money or has not sufficient money will not be accepted. Money in the form of drafts, letters of credit, or travelers' checks should be regarded as money in possession. The fact that money will be sent to the alien after his arrival does not relieve him of the necessity of having money in his possession when he lands. Any amount of money in possession of an alien, however large or however small, is sufficient to satisfy the requirements of the law, unless the alien is likely to become a public charge, in which case the head tax of $8 may be applied by the board of inquiry to the support of the alien.

Column 14. *Whether Going to Join a Relative or Friend, and if So, What Relative or Friend, and Name and Complete Address.* The entries should show whether each alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15. *Whether Ever Before in the United States, and if So, When and Where.* The entries should show whether each alien has been in the United States before, and if so, the year or period of years and place or places of last residence.

Column 16. *Whether Ever in Prison or Almshouse or Supported by Charitable Institution, and if So, What and When.* The entries should show whether each alien has been in prison or in an almshouse or supported by charitable institution, and if so, the year or period of years and place or places of last residence.

Column 17. *Whether Connected with Any Institution or Society, and if So, What.* The answer should be either Yes or No, and if Yes, the name of the institution or society should be given.

Column 18. *Whether Coming Under Contract or Agreement to Perform Labor, and What Kind.* The question is explanatory and the answers, like all others on the sheet, are required for the information of the officers charged with the examination of aliens. However, in answering questions 17 and 18 in the case of persons coming as seamen and the Secretary of Labor has authorized him to supply certain information in these cases only. Such application should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years for all persons, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as, for example, Cotton-spinner, farmer, tailor, tailoress, seamstress, nurse, engineer, brass-polisher, steel-polisher, wood-polisher, cabinetmaker, wood-turner, etc., and not simply "laborer," "mechanic," "servant," "clerk," "dressmaker," or "milliner."

A distinction should be made between farmers and farm laborers, regardless of the amount of money, cleverness, or experience.

A "farmer" is one who operates a farm, either for himself or for others.

A "farm laborer" is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and instructions should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read or write*).—This column is to be left entirely blank, with questions as to "Read what language?" or "If exemption is claimed upon what ground?" In no case does this question the language or dialect the alien is able to read should be stated. If an alien is able to read, and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people specified in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and no entries should be accepted unless in accordance with the instructions and registry clerks in this regard. For instance, "French" appearing under the last-mentioned country does not mean "French" by race or people, and, similarly, "French" appearing under the last-mentioned heading does not mean "France" by country. Aliens, German, or Hebrew races, by race or people, cannot properly come under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria and their descendants), whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of whether actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of kin, nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if out side the United States.

Column 14 (*Whether in possession of $50 and if less how much*).—The answer should be either Yes (checked) or No (unchecked).

Column 15 (*If going where has passage paid*).—The entry should show definitely by whom passage was paid, as, if by himself, father, mother, or other relative, friend, steamship company, etc.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1891 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. **However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.**

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Number of ticket.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Last address.* — The answer in this column should be confined to the name of the country applying and. In those under 1 year of age

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. (*Married or single.*) — The answer should be "M" (married), "S" (single), "Wd" (widow), or "D" (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as laborer, farmer, merchant, tailor, clerk, etc. Wives should not be returned merely as "housework," unless they actually perform no labor other than housework. Children simply as "child," "boy," or "girl," as the case may be. Under no circumstances should the term "servant" be used.

A distinction should be made between farmer and farm laborer, regardless of the amount of property she owns, as follows:

A "farmer" is one who operates a farm, either for himself or for another.

A "farm laborer" is one who works on a farm for the owner thereof or for another.

Seamen, upon arrival, are to be carefully inspected and questioned concerning the purpose of their coming to the United States, and are not to be admitted unless found to be entitled to admission in all respects, the same as other aliens.

Column 8. *Money in possession.* — This column must not be left blank, but in every case the alien applying and to those under 1 year of age must be stated how much money he has in his possession. Read what has been said above, in connection with column 7, regarding the question to be asked. Do not accept a general answer, such as "plenty," "enough," "none," or "a little," but insist upon having the exact amount stated. If the alien has a draft or letter of credit, the amount for which it is drawn should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.* — Each list of race should be carefully scrutinized, and the race to which each alien belongs should be determined according to the following definitions. Care should be taken not to return the race or people to which an alien belongs as the country of which he is a citizen or subject. Columns 16 to 23. — The questions in these columns and the answers thereto are required in all cases. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should strike out the words "Head tax" at the top of this column. The entry is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be entered in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should be made as explicitly as possible to show the occupation, trade, or profession of each alien arrived as for example, "farmer," "laborer," "tailor," "carpenter," "mechanical engineer," "mining engineer," "brass polisher," "steel polisher," "wood polisher," "engine fitter," "bricklayer," or simply as "engineer," "polisher," "molder," "turner," or other general designation.

A distinction should be made between farmers and farm laborers, as well as of the various grades, as follows:

A farmer is one who operates a farm, either for himself or for another.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction upon the manifest sheet, and it will be found unnecessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is to be filled in and covers the following question: Read what language (or, if exemption is claimed, upon what ground) ... [illegible] ... the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be answered from the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction to be drawn as to race and the country of which the race or people are given as subject. [illegible] ... country of last permanent residence, and country of birth, and inconsistencies should be reported by inspectors and registry clerks in this regard. For instance, [illegible] ... appearing under the head of country descent Ireland, French, by race or people and, therefore, "French" appearing under the head of race or people does not mean "France," by race or people, but rather Irish, by race or people, and therefore should be so entered. Aryan, Hebrew, Latin, Anglo-Saxon, and other terms which do not properly come under the heading of United States, England, or any other country, should not be entered in connection with the following distinctions, which should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, whether they are of white or Negro race.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, of mixed white and Indian blood.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether he comes from Africa, the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

[illegible] ... people who dwell to the north of the River Po, in northern Italy, i. e., compartments of [illegible] ... Lombardy, Venetia, and Piedmont, and their descendants, who, after residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

People [illegible] ... which are native to that portion of Italy south of the basin of the River Po, i. e., compartments of [illegible] ... Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute a permanent residence. The last country at which alien received with the intention of remaining one year or more shall be deemed the place of last permanent residence regardless of length of actual residence thereon. The entries in this column should be [illegible] ... other country, and not merely last permanent residence. It is important for the [illegible] ... treaty purposes that the [illegible] ... accurately. Law confers right of permanent residence under certain circumstances upon citizens of adjacent countries, and [illegible] ... person of country of last permanent residence may be [illegible] ... who are permanent residents of the United States and country of last permanent residence should be [illegible] ... United States.

Column 12 (*Name and complete address of person in country whence alien came*).—The entries in this column should give name and address of relative or friend whom alien came to join, or other person in country whence alien came to whom he was going. If alien has no relative living, give name and address of friend.

Column 13 (*Final destination*).—The entries in this column should show the intended future permanent residence. Aliens coming to join relatives or friends should give their permanent residence. The entry should not be changed because alien may subsequently change his residence. If within the United States, state whether the place of intended residence is in a city or in the country, and give name of State.

Column 14 (*Ticket*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*Whether in possession of $50 and whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address*).—The answer should give the amount of money in possession, not merely whether or not the alien has $50 or more. Money carried by the head of a family should include that of all the members of the family.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not the alien has been in the United States before, and if so, the year, or period of years, and place, as, 1903, Ellis Island, Philadelphia, etc.

Column 17 (*Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address*).—The answer should show whether or not alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18 (*Ever in prison, etc.*).—These questions are self-explanatory and the answer, like all others on the sheet, are required to be given by reason of the examination of aliens. However, in answering question 2, if alien has been excluded within one year and the Secretary of Labor has authorized him to reapply for admission, the attorney for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries on these columns. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years. Infants, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stair-builder, tailoress, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for other.

A farm laborer is one who works on a farm for the person who operates it.

Steamship companies should make this distinction on the manifests and corrections heed be made if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, not to Negroes, Hebrews, or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether born in Africa, the United States, the West Indies, North or South America, Europe, or Africa. No alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po (i. e., northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual bona fide residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steam ship companies accurately show country of last permanent residence (independent of country of temporary residence), country of birth, nationality, or race.

Country of last permanent residence (aliens who are permanent residents of the United States and are returning from a visit abroad) should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and full address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence for one year shall not constitute permanent residence. The entry should show definitely the place, state, or country of intended future permanent residence, if not to the United States, if not to the United States.

Column 14 (*Whether has relatives or friends and their names and addresses, if any, whether in the United States or elsewhere, to whom immigrant is going*).—The answer should be either Yes or No.

Column 15 (*Whether in possession of ticket through to final destination*).—The answer should be either Yes or No.

Column 16 (*By whom passage paid*).—The entry should show definitely by whom passage was paid, as self, father, husband, other relatives, friends, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less than $50 how much*).—The answer should be given in each case of individual or family. (See Act June 29, 1906, amending section 2 of Act of March 3, 1903.) Money brought by the head of a family should not be divided between the several members of the family.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show which, if any, of the aliens have been in the United States before, and if so, the year, or period of years, and place, as, 1891, Philadelphia.

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—The occupants of steerage quarters only are to be listed on these sheets, which are subject to revision by inspectors in charge at the examining stations. However, in answering questions 24, if alien has been in the United States before and the Secretary of Labor has authorized him to reapply for admission, the word "return" in such application should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. *Ha[illegible]* . . . Steamship lines should make no entries in this column. The space . . . reserved for vessel's use only.

Column 2. *Name in full* . . . The answer in this column should be expressed as years or months, the latter . . . to those under 1 year of age.

Column 3. *Sex* . . . The entry should be either M, male, or F, female.

Column 4. *Married or single* . . . The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 5. *Occupation* . . . The entry should describe as definitely as possible the occupation . . . each alien having a distinct occupation, as for example, Civil engineer, stationary engineer, . . . , cabinetmaker, polisher, molder, turner, etc., and not . . . compositor, printer, engraver, bookbinder, stone cutter, tailor, etc., but as . . . , cabinetmaker, polisher, molder, turner, etc., with definite description as . . . A laborer, who should be made between unskilled and farm laborers, regardless of the amount of money . . . possessed.

A farmer is one who operates a farm, either for himself or for others.

A laborer is one who works on a farm for the man who operates it.

. . . . . suppose should refer to instructions on the manifests, and correct as should be needed . . . by inspectors and registry clerks during the personal examination of alien arrivals.

Column 6. *Able to read and write* . . . This column is subdivided and contains the following question: Read what language or if exemption is claimed upon what ground? In answering this question . . . alien is able to read should be stated. If alien is unable to read and claims . . . in the reading requirement, the ground for such exemption should be given.

Column 7. *Nationality* . . . Question 9 should be construed to mean the country of which alien is a . . . subject.

Column 8. *Race or people* . . . The entry should be printed on back of the sheet. The entry should show . . . race or people as stated in all list.

Separate lists should be used for each race and the country of which the citizen or . . . subject is a part. Last permanent residence and country of birth, and nearest of kin should be carefully . . . to, have ascertained, before the question "Race or people" is answered. For instance, "France" appearing under the . . . of country does not mean "French" in race or people, similarly, "French" appearing under . . . head does not mean "France" in country. An Irish, German, or Hebrew should . . . carefully questioned to ascertain the country of which he is a subject, or any other country. In this . . . connection the following distinctions should be carefully observed:

ASIATIC

The term "Chinese" should be used to designate the Mongolian race.

AFRICAN

West Indian should be used to designate the Negro races other than either Cubans or Negroes.

AMERICAN

. . . . . should be used to designate the aboriginal Indians of North America.

"African (black)" refers to the Negroes of Africa, but does not include the people of the West Indies, either of African or European descent. Persons of African descent born in the United States are . . . Negroes, and should be so described.

ITALIAN, NORTH

The people who are natives of the valley of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these . . . speak a dialect of the Italian language.

ITALIAN, SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. *Last permanent residence* . . . Actual or an intended residence of one year shall constitute . . . permanent residence. The last country in which alien resided with the intention of remaining one year . . . , shall be the last permanent residence regardless of length of actual residence therein. The entries . . . should show the last permanent residence, city and city or town of last permanent residence. It is important for . . . statistical purposes that states or provinces accurately show country of last permanent residence independent . . . country of immediate residence. Country of birth, nationality, or race.

. . . . . that permanent residence of aliens who are permanent residents of the United States and . . . to which they intend to proceed should be recorded "United States."

Column 12. *Name of [illegible] address of nearest relative or friend in country whence alien came* . . . The entries should show name and address of each relative. If no such relative living, give name and address . . . of friend.

Column 13. *Final destination* . . . The answer to this question shall show the intended future permanent residence. A residence for one year shall constitute permanent residence. The entry should show definitely the name, city, or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. *Whether has ticket through to final destination* . . . The answer should be either Yes, ticket, or No, no ticket.

Column 15. *By whom was passage paid* . . . The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less, how much* . . . The answer should give, in each case . . . and each family, the exact amount of money shown. Money brought by the head of a family should . . . be added to that of the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where* . . . The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1891, New York, Philadelphia.

Column 19. *Whether going to join a relative or friend; and if so, what relative or friend* . . . The answer should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are explanatory and the answers, like all others on the sheet, are subject to record made by inspectors relative to the examination of aliens. However, in answering question 32, if there has been imposed upon alien the head tax, and the Secretary of Labor has authorized him to apply for admission, the authority for such application should be given.

AFFIDAVIT OF SURGEON

I, ... , *Surgeon of the* . . . . . , *do solemnly, sincerely, and truly* *that I have had* *years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of* . . . . . , *and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets,* *in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.*

Sworn to before me this *day of* , 19

at . . . .

NOTE.—If a surgeon sails with the vessel, the affidavit certificate should be executed before the clearance of the vessel, and the words "prior to sailing" should be inserted after the word "before" in the condition; if any of the aliens must be examined before the vessel is ready to sail, the words "prior to sailing" should be inserted after the word "before" in the condition; if any of the aliens must be examined before the vessel is ready to sail, the affidavit certificate should be executed before the surgeon sails with the vessel, the affidavit certificate should be executed before the surgeon proceeds to the examination of the aliens.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the immigrant himself, according to the country and the language they speak. The original race or blood shall be the basis of the classification, the mother tongue to be used only as a secondary determining factor.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full.* Steamship lines should make no change in the names. The given name or initial should follow the surname.

Column 3. *Age.* The age in this column should be expressed in years. Infants under 1 year should be entered under 1 year of age.

Column 5. *Sex.* The entry should be either M male or F female.

Column 6. *Married or single.* The answer should be M married, S single, W widowed, or D divorced.

Column 7. *Calling or occupation.* The entry should describe as nearly as possible the occupation at which the alien will engage on arrival, as, for example, Clerk, farmer, carpenter, laborer, merchant, engineer, brass polisher, steel polisher, moulder, wood turner, etc., and not merely laborer, gentleman, lady, boy, girl, child, infant, servant, or the like. Laborers should be carefully distinguished as between farm laborers and factory laborers, great loss of the amount of money brought in often occurring when laborers who have been engaged to work on farms leave the farms immediately upon arrival.

Column 8. *Able to read?* This column is to be used to show whether the alien named can read or cannot read. The word read should be entered in the column if the alien can read any language, and the words cannot read if he cannot read any language.

Column 9. *Able to write?* This column is to be used to show whether the alien named can write or cannot write. The word write should be entered in the column if the alien can write any language, and the words cannot write if he cannot write any language. The answer to question 9 should be construed to mean in the country of which he last became a resident.

Column 10. *Nationality.* The nationality of the people should be entered as stated on the tickets. Where the nationality is not known, the last country of which the alien became a subject should be entered. The nationality of Hebrews should be entered as Russian, German, English, French, Spanish, Italian, Austrian, Hungarian, Roumanian, Portuguese, Turkish, Syrian, Greek, or any other country. In this column the words United States should never be entered.

CUBAN

The entry should be Cuban to denote the Cuban people not Negroes.

WEST INDIAN

The entry should be West Indian to denote the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN

The entry should be Spanish American to denote the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

The entry should be African (black) to denote the people of the black race born in the West Indies, South America, Europe, or Africa. An alien of a mixed admixture of blood of the African race should be returned under the heading

ITALIAN (NORTH)

The people who are natives [illegible] basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are natives [illegible] Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Actual or intended residence for one year shall constitute permanent residence. The entry should be made in accordance with the following rules: If the alien named has resided for one year or more last past in the place where he last embarked for the United States, that place should be entered as his permanent residence. If he has resided in the place where he last embarked for the United States less than one year, the country in which such place is situated should be entered as his permanent residence. It is important for the proper determination of admissibility that the last permanent residence of each alien be correctly stated. Where the last permanent residence is claimed to be in the United States, the name of the city, town, or village in which such residence was acquired should be stated. Where the last permanent residence is claimed to be in a country other than the United States, the name of such country should be stated. Residence in the United States for the purpose of study, pleasure, business, or travel, or while in transit through the United States, does not constitute permanent residence therein. Residence in the United States for the purpose of engaging in labor, skilled or unskilled, for a definite period or while employed by a certain person or company, does not constitute permanent residence therein. Residence in the United States for one year or more, but with the intention of returning to the country whence he came, does not constitute permanent residence therein. The fact that an alien has resided in the United States for many years, and has there married and reared a family, does not constitute permanent residence therein if he has always entertained the intention of returning to the country whence he came, and has retained a residence therein. If such alien has in fact returned to the country whence he came, and has there resided for one year or more, it will be presumed that he has returned to his former permanent residence, even though during his stay in such country he may have been in receipt of support from the United States. Aliens who are peddlers or itinerant merchants, and who have no permanent residence in any country, should be credited to the country in which they were last domiciled.

Column 12. *Ever in U. S.?* The answer should be either Yes or No.

Column 13. *Ever before in U. S.?* The entry should be either Yes or No.

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* The entry should be definite, as to the name and address of the relative or friend to whom the alien is going, and should be sufficient to enable the immigrant to be located if necessary. The name of a person or firm in a large city is insufficient. The street address should be given if possible. The entry should not be "self" or "employment" or "work" or "labor" or "factory" or "position" or "home" or "unknown" or "none" or "no relatives or friends" or "will look for work" or "will look for employment" or "will look for relatives or friends" or "will look for home" or "will look for position" or "will look for labor" or "will look for factory" or "will look for unknown" or "will look for none" or "will look for

Column 3. *Age.* The age in this column should be expressed in ..... after the last birthday (if under 1 year, state whether months or days).

Column 4. *Sex.* The entry should be either M (male) or F (female).

Column 5. *What is your occupation?* The answer should be "Laborer," "Servant," "Merchant," "Farmer," "Wife," "Clerk," "Musician," "Author," "Editor," "Lawyer," "Physician," "Dressmaker," "Milliner," "Engineer," "Bookkeeper," "Stenographer," "Accountant," "Actress," "Actor," "Preacher," "Professor," "Chemist," "Scientist," "Photographer," "Decorator," "Designer," "Teacher," "Tailor," "Tailoress," "Barber," "Hairdresser," "Manicurist," "Chiropodist," "Nurse," "Midwife," "Dentist," "Optician," "Jeweler," "Watchmaker," "Upholsterer," "Cabinetmaker," "Carpenter," "Mason," "Bricklayer," "Plasterer," "Painter," "Glazier," "Roofer," "Plumber," "Steamfitter," "Blacksmith," "Machinist," "Toolmaker," "Moulder," "Iron worker," "Steel worker," "Metal worker," "Miner," "Engineer," "Fireman," "Conductor," "Motorman," "Railroad man," "Mariner," "Sailor," "Fisherman," or the like, according to the occupation of the alien.

Column 6. *Married or single.* The entry should be made between the words "married" and "single," to indicate the condition of the alien, regardless of the age at which he or she was married.

Column 7. *Calling or occupation.* The entry should designate, as accurately as possible, the occupation at which each alien worked, as for example: Carpenter, cotton mill operative, laborer, etc. Persons engaged in any mechanical trade should be described as mechanics, and not as engineers, brass polishers, steel polishers, iron workers, wood turners, etc., and not as apprentices, helpers, machine hands, or by any such limited description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they have.

A person who operates a farm, either for himself or for others, should be described as a farmer.

A person who works on a farm for wages should be described as a farm laborer.

Special care should be taken to obtain the exact occupations, and correct terms should be used. Persons having no occupation, including children, should be returned as having no occupation.

Column 8. *Nationality.* This column should indicate the country of which the alien is a native, or in which he was born, and not that in which he last resided. This column should be used to show whether aliens are natives of Germany, Austria-Hungary, Russia, Sweden, Norway, Turkey, Greece, Italy, Spain, Portugal, Mexico, Cuba, Japan, China, Scotland, Ireland, England, France, Belgium, Holland, Switzerland, Denmark, or other countries.

Column 9. *Race or people.* This column should be used to show whether aliens are Anglo-Saxon, Celtic, Finnish, Hebrew, Slavonic, Bohemian, Moravian, Polish, Dalmatian, Croatian, Servian, Bulgarian, Roumanian, Magyar, Spanish, Portuguese, Mexican, Cuban, Japanese, Chinese, Scotch, German, or Irish, or to show other race or people to which they belong.

Column 10. *Last permanent residence.* This column should be used to show the country of which the alien was last a permanent resident. Persons coming to the United States who have resided for a year or more in Canada, Mexico, Cuba, Japan, China, France, Belgium, Holland, Switzerland, Denmark, or other countries, should be returned as coming from the country of last permanent residence, and not from the country of birth, unless the latter is also the country of last permanent residence.

Column 11. *Final destination.* The city, town, or village in the United States to which the alien is destined should be stated, as far as possible. The name of the State should be given in every case. Persons going to Canada, Mexico, Cuba, Japan, China, France, Belgium, Holland, Switzerland, Denmark, or other countries, should not be returned as destined to the United States.

Column 12. *Whether going to join a relative, and name and address of such relative.* The answer to this question will show whether the alien is going to join a relative, friend, steamship company, etc., in the United States, and should be given with sufficient definiteness to enable the relative, friend, etc., to be found by the immigrant on arrival. The name and address of the relative, friend, etc., should be stated, and the relationship, if any, should be indicated. Persons coming to the United States to join relatives should be careful to see that the name and address of the relative are correctly stated.

Column 13. *Whether have a ticket through to destination.* The answer to this question will show whether the alien has sufficient means to pay his railroad fare to his destination. Persons who have not sufficient means should be detained until they can communicate with their friends and secure the necessary funds.

Column 14. *Whether the immigrant has been in the United States before; if so, when and where.* The answer should show whether the alien has been in the United States before, and if so, the year or period of years and the place or places.

Column 15. *Whether coming to join husband or other relative in the United States; if so, what relative and whether such husband or other relative is in the United States or elsewhere.* The answer should show whether the alien is going to the United States to join a husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, nephew, niece, or cousin, and should state the name and address of such relative.

Column 16. *Whether in possession of $50 and if not, how much less.* These questions are to be answered in the affirmative or negative, as the case may be. However, in answering question 16, if an alien has been in the United States one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is reserved for Government use exclusively.

Column 3. *Age.* The answer in this column should be expressed in years or months, the latter applying to children under 1 year of age.

Column 4. *Sex.* The entry should be either M (male) or F (female).

Column 5. *Married or single.* The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 6. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Cashier, engineer, stationary engineer, locomotive engineer, marine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "laborer," "mechanic," "machinist," "molder," "turner," or other indefinite descriptions.

A distinction should be made between farmers and farm laborers, regardless of the amount of money the latter may possess.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Such prepositions should be used in connection with the nouns and pronouns as shall indicate clearly the relationship existing between the persons referred to, as, for example, "carpenter for" or "servant to."

Column 8. *Can read or not read.* The old man reads his bible and can state the question. Read what he says, if he can, in answer to this question. If alien is unable to read and claims to read some other language than those enumerated, the ground floor examiner should be given the benefit of the doubt and the entry recorded as read.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show all races to which aliens belong.

Should a person claim to belong to more than one race, the discrimination between race and the country of which he is citizen or subject should be carefully observed. For instance, a native of France, although a citizen of that country, may belong to the Basque, Breton, Celtic, Flemish, Teutonic, or other people, and, properly, French appears under the head of race or people. A native of Ireland may be English, Scotch, or Irish, but the race is Irish, not English, Scotch, or British. A native of Scotland may be Scotch, English, Irish, or British, but the race is Scotch. An Irish, German, or Welsh Jew is a Hebrew, not an Irish, German, or Welsh race. A native of Switzerland may be German, French, Italian, Hebrew, or any other race, depending entirely upon the circumstances in each case. The word "Canadian" should be carefully observed.

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

West Indian refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

African (black) refers to the African Negro, who is of pure African blood, born on the islands of the West Indies, North, Central, or South America, Europe, or Africa. Any person with any admixture of the African Negro should be returned under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year permanent residence. Should the last permanent residence be recorded as the factual residence therein. The entries in this column should show the last permanent residence regardless of how the factual residence therein. The entries in this column should show the country, and city or town of last permanent residence. It is important for statistical purposes that these entries accurately show country of last permanent residence. Under no circumstances should country of temporary residence, country of birth, nationality, or race be recorded as country of last permanent residence. Care should be exercised in the case of aliens who are permanent residents of the United States and who return to their native country and then again arrive in the United States. Such persons should not be recorded as having resided "United States."

Column 12. *Vessel and port in which alien last landed in the United States.* The entry should show the name and address of such relative. If no such relative living give name and address of friend.

Column 13. *Final destination.* The answer to this question shall show the actual intended future permanent residence. Aliens intending to remain in the United States one year shall be recorded as having acquired permanent residence. Temporary residence is not sufficient. Persons having a well-defined intention of acquiring permanent residence in the United States, although not sure as to the exact locality, should be recorded as having such intention. The entry should show the name of the city or town of intended future permanent residence, if within the United States.

Column 14. *If alien has a ticket through to his final destination.* The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.* The entry should show declared by whom passage was paid, whether by himself, relative, friend, or other person, and not by steamship company, etc.

Column 16. *How much money alien has in his possession.* The answer should be expressed by the head of family covering the entire family, the amount shown. Money in gold, silver, paper, or bank notes should be reported. The entry should be recorded to the nearest dollar. Fractions of a dollar should be disregarded.

Column 17. *Whether alien has been in the United States before; if so, how long and when.* The entries should show whether alien has been in the United States before, and if so, the year or period of years and place, as, 1891, New York; 1901, Philadelphia.

Column 18. *Whether going to join a relative or friend, and if so what relative or friend, and name and complete address of same.* The answer should show whether going to join relative or friend, and if so what relative or friend, and name and complete address of same.

Column 20 (a) (b). These questions are self-explanatory, and the answers, like all others, should be full and complete. However, if answers are subject to correction by the Secretary of Labor, and if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, K I Trench, Surgeon of the S/S ADRIATIC, do solemnly, sincerely, and truly swear that I have had 31 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 43 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... MASTER ....., of the ADRIATIC, from .....

(State whether Master, First, or Second Officer)

solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 45 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Whether in the United States or to what other country going.*—Steamship lines should make such entries in this column as will show the destination of each alien. The entry should be "United States" or "Other country."

Column 3. *Name.*—The answer in this column should be expressed in surnames or last names, the latter appearing first, followed by the given names or initials.

Column 4. *Sex.*—The entry should be either "Male" or "Female."

Column 5. *Married or single.*—The answer should be "Married," "Single," "Widowed," or "Divorced."

Column 6. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, profession, or other calling of each alien, for example: "Civil engineer, electrician, blacksmith, carpenter, cabinetmaker, brass polisher, steel polisher, iron worker, wood turner, etc.," and not "laborer," "engineer," "mechanic," "machinist," "manufacturer," "clerk," "agent," "polisher," "molder," "turner," or other indefinite designations.

No distinction should be made between farmers and farm laborers, regardless of the amount of property, skill, or experience.

"Farmer" should be used only for a person who operates a farm, either for himself or for others.

"Farm laborer" should be used only for a person who works for the farmer who operates the farm.

Column 7. *Nationality.*—Each alien must be described as a citizen or subject of the country in which he was born, and not as a citizen or subject of the country to which he may have recently come or of which he may have become a citizen or subject.

Column 8. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Column 9. *Last permanent residence.*—The entry should show the country of which the alien is a citizen or subject, as distinguished from the country of birth, and nationality should be carefully distinguished from race or people. Thus, a native of Germany, naturalized in the United States, returning to Germany, should be described as a German, and not as a citizen of the United States. Former allegiance should be ignored entirely. "French" appearing under the head of "Nationality" would indicate that the alien was a native of France, but "French" appearing under the head of "Last permanent residence" would indicate that the alien had resided in France, whether a native or not. An Irish German, or Hebrew should be described as a citizen or subject of Great Britain, Germany, or Russia, or of whatever country he may be a citizen or subject, and not as an Irishman, German, or Hebrew, unless he is a citizen or subject of Ireland, Germany, or Palestine, respectively. In the absence of a definite rule, the nationality should be generally observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

The term "Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro and the descendants of the Negroes brought from Africa to the West Indies, North and South America, Europe, or Asia. Persons of mixed African and admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or other countries, should be classed as "Italian (north)." Most of these people speak a Gaulic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Length of intended permanent residence.—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year constitutes his last permanent residence, regardless of both the actual and the intended time thereon. The entries in this column should show the last country and city or town of last permanent residence. It is important for the proper statistical purposes that steamship companies accurately show country of last permanent residence independently of former citizenship, residence, country of birth, nationality, or race.

Last permanent residence of aliens who are permanent residents of the United States and who are temporarily absent therefrom.—The entry should be "United States."

Name and complete address of nearest relative or friend in country whence alien came.—The entry should show the name and address of such relative. If no such relative having given name and address is found, the fact should be stated.

Intending to become a permanent resident of the United States.—The answer to the question should be Yes or No, indicating whether the alien intends to enter the United States for permanent residence or for a temporary stay only. An intended residence of one year or more shall constitute permanent residence. The entry should show the intention of the alien to enter the United States for permanent residence or for a temporary stay only, as the case may be.

Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address.—The entry should show definitely by whom passage was paid, and whether by himself, by relative or friend, by steamship company, etc.

Whether ever before in the United States, and if so, when and where.—The answer should give in each case the year or period of years when alien was previously in the United States, and the place or places where.

Whether ever before in the United States, and if so, when and where.—The entries should show whether the alien has been previously in the United States, and if so, the year or period of years and place or places, as 1891–1895, Philadelphia.

Whether going to join relative or friend, and if so, what relative or friend.—The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Questions 21 to 30.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by the officers at the examination of aliens. **However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.**

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full.*—Steamship Lines should take care to have the names in this column written legibly. The given name or initial should follow the surname.

Column 3. Figures opposite each name in this column should be expressed in words, the latter applying to children under one year of age.

Column 4. *Sex.*—Every person should be either Male or Female.

Column 5. *Married or single.*—The answer should be Married, Single, Widowed, or Divorced.

Column 6. *Occupation.*—The entry should describe as exactly as practicable the occupation of each alien, if any, at the last place of his residence. Such terms as "laborer," "gentleman," "manufacturer," "capitalist," "clerk," "merchant," "servant," "boy," "girl," "child," "baby," "lady," "woman," "man," "farmer," "farm laborer," "tailor," "tailoress," "seamstress," "dressmaker," "shoemaker," "shoe worker," "cigar maker," "cigar packer," "iron molder," "wood turner," etc., are sufficient. Persons having no occupation, such as children, should be so stated.

Column 7. *Can read.*—Every person who can read any language should be set down as able to read. The ability to read may be tested by requiring the alien to read a few lines printed for the purpose. Any reasonably fluent reading should be sufficient to entitle the alien to be set down as able to read.

Column 8. *Can write.*—Every person who can write a form, either for himself or for others, should be set down as able to write. The ability to write may be tested by requiring the alien to write a few words.

Column 9. *Can read and write.*—These columns should be marked "Yes" or "No" respectively. Persons who can read and write should be set down as able to read and write, although they may not be able to read and write the English language. In answering this question, the alien's own statement may be accepted unless there is reason to believe it untrue.

Column 10. *Nationality.*—The nationality of each alien should be recorded as that of the country of which he is a native citizen or subject, or in which he has resided and claims allegiance. Mere residence, unaccompanied by allegiance, does not constitute nationality. Nationality should be stated as of the present time, and not as of the time of emigration. Thus, a native of Germany who has become a naturalized citizen of the United States should be recorded as a citizen of the United States, and not as a German.

Column 11. *Race or people.*—The race or people to which each alien belongs should be recorded. In answering this question, persons who are natives of countries in which more than one race is found should state the particular race to which they belong. Persons born in Great Britain should be distinguished as English, Scotch, Welsh, or Irish, according to the birthplace of the alien. Persons born in the Dominion of Canada should be recorded as Canadian, French, or English Canadian, according to the province in which they were born. Persons born in Mexico should be recorded as Mexican, Spanish, Indian, or Negro, according to the race or people to which they belong. Persons born in Cuba should be recorded as Cuban, Spanish, or Negro, according to the race or people to which they belong. Persons born in Porto Rico should be recorded as Porto Rican, Spanish, or Negro, according to the race or people to which they belong. Persons born in the Philippine Islands should be recorded as Filipino, Spanish, Chinese, Negrito, Tagalog, Visayan, Moro, Igorrote, or Negro, according to the race or people to which they belong. Persons born in Hawaii should be recorded as Hawaiian, Portuguese, Japanese, Chinese, or Negro, according to the race or people to which they belong. Persons born in Alaska should be recorded as Indian, Negro, or Japanese, according to the race or people to which they belong. Persons born in Africa should be recorded as Negro, Hamitic, Semitic, Berber, Bantu, Kaffir, Hottentot, Zulu, or Fulah, according to the race or people to which they belong.

HEBREW

The people known as the Hebrew people and Semites.

WEST INDIAN

Natives of the islands of the West Indies, except those that are Cuban or Negroes.

SCANDINAVIAN

Natives of Norway, Sweden, and the people of Iceland and South Africa, and Faroe Islands.

SPANISH-AMERICAN

Natives of Mexico, Central and South America, and Spanish descent.

AFRICAN (BLACK)

African Blacks, natives of the African Negro race, including Negroes born in the West Indies, North, Central, and South America, Europe, or Asia. All persons of African descent should be classed as of the African Negro race, no matter where they were born.

ITALIAN (NORTH)

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardia, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or elsewhere, should be classed as "Italian (north)." Most of these people speak a French dialect or the Italian language.

ITALIAN (SOUTH)

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 12. Last permanent residence.—Actual and intended residence for one year shall constitute permanent residence. The last permanent residence which the alien resided with the intention of remaining one year or more, regardless of length of actual residence therein. The entries in this column should show the country and city or town of last permanent residence. It is important for statistical purposes that these entries be accurately shown. Country of last permanent residence independent of nationality, race, or birth; residence, country of birth, nationality, or race.

Column 13. To the United States.—The answers to this question should be "Yes" in all cases, as only persons who are to be permanent residents of the United States are required to be listed. The words "United States" should be entered, not the name of any particular State or city.

Column 14. Whether going to join relative.—The answer to this question should show whether the alien is going to join a relative. If so, such relative's name and address should be given.

Column 15. Ultimate destination.—The answer to this question should show the intended future permanent residence. As permanent residence is previously defined, it will rarely happen that the intended future permanent residence, as within the knowledge of the person making the list, will be in any place other than the United States.

Column 16. Whether having been in the United States before.—The answer should be either Yes or No.

Column 17. Whether coming to join a relative or friend, and, if so, what relative or friend, and in what State or Territory he or she resides.—The entry should show whether the alien is coming to join a relative or friend, and, if so, what relative or friend, and in what State or Territory he or she resides. It is not sufficient to state that the alien is coming to join relatives in the United States, but the name of the relative must be stated, and the place where he or she resides must be stated correctly.

Column 18. Whether in possession of $50, and if less, how much.—The entry should show whether the alien has in his possession at the time of inspection fifty dollars in money, and if he has less than fifty dollars, the exact amount he has. Money in the possession of the head of a family should be considered as in the possession of each member of the family.

Column 19. Whether ticketed through to destination.—The answer should be "Yes" or "No," as the fact may be.

Column 20. Whether in possession of railroad or steamship ticket, and, if so, by whom purchased.—The answer should be "Yes" or "No," as the fact may be. If the ticket has been purchased by the alien himself, the answer should be "Self." If the ticket has been purchased by the head of a family for himself and members of his family, the answer should be "Family." If the ticket has been purchased by a friend, relative, employer, or other person, the answer should be "Friend," "Relative," "Employer," or "Other person," as the fact may be. Money advanced by the head of a family should be considered as money owned by each member of the family.

Column 21. Whether coming under contract or agreement to perform labor in the United States, its Territories, or the District of Columbia.—The answer should be "Yes" or "No," as the fact may be. The term "contract" includes any agreement, verbal or written, express or implied, made previous to the importation of the alien, by which he promises to perform labor in the United States, its Territories, or the District of Columbia. The term "agreement" includes any mutual understanding or arrangement, whether enforceable at law or not, by which the alien is induced to perform labor in the United States, its Territories, or the District of Columbia.

Column 22. Whether an exhibitor of himself or of any animal or thing.—The answer should be "Yes" or "No," as the fact may be. If the alien is an exhibitor of himself, as a professional strong man, for example, the answer should be "Yes." If he is an exhibitor of any animal or thing, as a trained bear or a show, the answer should be "Yes." If he is neither, the answer should be "No."

Column 23. Whether a polygamist.—The answer should be "Yes" or "No," as the fact may be. A polygamist is a person who has more than one husband or wife at the same time.

Column 24. Whether an anarchist.—The answer should be "Yes" or "No," as the fact may be. An anarchist is a person who believes in no organized government, or who believes that all forms of government are wrong, or who believes that government should be overthrown by force, violence, or assassination, or who believes in the unlawful destruction of property.

Column 25. Whether previously deported and, if so, when and why.—The answer should be "Yes" or "No," as the fact may be. If the alien has been deported at any time previous to the present time, the answer should be "Yes," and the date of deportation and the cause for deportation should be stated. If the alien has been deported and has subsequently been permitted to reapply for admission, the answer should be "Yes," and the fact that he has been permitted to reapply for admission should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The same is for use of Government officials only.

Column 3. *Name.*—The answer in this column should be expressed in the order of the surname, the Christian name, and the middle name or initial, if any.

Column 4. *Sex.*—The entry should be either M (male) or F (female).

Column 5. *Married or single.*—The answer should be M (married), S (single), Wd (widow), or D (divorced).

Column 6. *Calling or occupation.*—The entry should describe as nearly as possible the occupation, trade, or profession of each person at arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, clerk, and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money, stock, or implements

A farmer means one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the man who operates it.

Under no circumstances should the term "laborer" be used unless the statements and corrections should be made, if necessary, by inspectors and recorded at ports of arrival at the time of the personal examination of the aliens.

Column 7. *Can read or cannot read.*—This column is to be ruled and contains the following question: "Can read or cannot read (or if exempt on account of age, state whether child or adult)?" In answering this question the word "can" should be entered if the alien is able to read, and the word "cannot" should be entered if the alien is unable to read, and the reason for such exemption should be stated. If the alien is unable to read and claims exemption on account of age, the statement of the record for such exemption should be given.

Column 8. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 9. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is directed to the distinction between race and the country of which citizen or subject. For instance, natives of Scotland should be entered as Scotch, natives of Ireland as Irish, natives of England as English, natives of Wales as Welsh, and natives of Germany as German, but natives of Great Britain should be entered as "British," and natives of the United States as "American," unless of African descent, when they should be entered as "African (black)." For instance, "France" appearing under the head of "Country of which citizen or subject" by no means precludes an entry "French" appearing under the head of "Race or people," and in like manner "France" appearing under the head of "Country where last permanent residence was had" by no means precludes an entry "French" under the head of "Race or people." An Irish, German, or Hebrew alien born in the United States, Canada, England, Scotland, or any other country. In this connection it should be remembered that the word "race" is to be carefully observed.

CUBAN.

The native inhabitants of the Island of Cuba.

WEST INDIAN.

All persons belonging to the people of the West Indies other than either Cubans or Negroes.

MEXICAN.

Natives of Mexico of the Mexican people.

SPANISH-AMERICAN.

Natives of America, other than Cuban people, of Central and South American Spanish descent.

AFRICAN (BLACK).

African (black) includes all persons of African birth or descent, whether from Central America, the West Indies, North or South America, Europe, or Africa. Any person with any trace of blood of the African Negro should be classed as African (black), whether this be visible or not.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in this column should show the country and city or town of last permanent residence. It is important that the entries in this column appear sufficiently accurately to show country of last permanent residence independently of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who temporarily go abroad shall be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. Aliens having no definite future intention of permanent residence. The entry should be "Not definitely determined." If intended future permanent residence is within the United States, it is sufficient to state the State. If in the United States

Column 14. *Whether ever in custody or debtor to such form of institution.*—The answer should be either Yes or No, as the case may be.

Column 15. *Persons or passage paid.*—The entry should show by whom passage was paid—whether by himself, by other persons in the United States, by relatives, etc.

Column 16. *How much money in possession of alien at last landing.*—The answer should give to each alien separately the amount of money in his possession. Money brought in by the head of a family should not be included in the several amounts of the family.

Column 17. *Whether going to join relatives in the United States, and if so, what relatives and where.*—The entries should show whether going to join relatives or friends, and if so, what relatives or friends, with name and complete residence.

Column 20 (1924).—The questions, as well as explanations and the answers to all others on the sheet are subject to personal examination in the examination of aliens. However, in answering question 20, if alien has been deported previously and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* [illegible]

Column 3. *Age.* The age given in this column should be expressed in years for persons one year old or over, and in months for children under one year old.

Column 4. *Sex.* Each entry should be either Male or Female.

Column 6. *Whether married or single.* The answer should be Married, Single, Widowed, or Divorced.

Column 7. *Calling or occupation.* The entry should describe the occupation which the alien has followed for the greater part of the last twelve months, whether at present employed or not. If an alien has no occupation, the fact should be stated. Wife, unless she has an occupation other than that of housework, should not be returned as having any occupation. Laborers, without specification of the kind of labor performed, should be returned as farmers, farm laborers, laborers, factory laborers, or coal miners, according to the best knowledge or belief of the inspector taking the statement. Where a person has been employed at more than one occupation during the past year, the occupation at which he was principally employed during that time should be returned. Persons of no occupation, such as children, should be returned as having none. Particular care should be taken to distinguish between farmers and farm laborers, regardless of the amount of money the former may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for those in charge of it.

A gardener is one employed in the production of garden products for the market, and not one who merely works in a garden.

Column 8. *Can read and write.* This column is to be filled in to indicate whether the alien can read and write the language, or some language. Persons who can read but not write, or who can write but not read, should be returned as able to read and write. Persons unable to read and write any language, including illiterate children, should be entered as unable to read and write.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.* See last page of this sheet. The entry should show the race or people to which each alien belongs.

Column 11. *Last permanent residence.* The entry in this column should be the country of which the alien was a permanent resident, and not the country of birth, and countries should be entered as in column 9. Persons having no permanent residence anywhere should be entered as such. For instance, a Frenchman, formerly resident in Paris, but who has been for the past year in business in Berlin, should be entered as a resident of France, but a Frenchman who has been in business in Berlin for ten years, and has a family residing there, should be entered as a resident of Germany. An Italian domiciled in England should be entered as a resident of England. Scotch, Welsh, or any other country. In this column, the words "United States" should not be used.

Column 12. *Final destination.* See last page of this sheet. The entry should show the city or town in the United States to which the alien is destined, if known. If destined to any place in the United States, the State should be stated. If destined to Canada, Mexico, Cuba, Central America, Europe, Asia, Africa, Australia, or any island adjacent to the United States, the country should be stated. Where the ticket is routed to a place in the United States, but the alien intends to proceed to a place in Canada, Mexico, Cuba, Central America, Europe, Asia, Africa, Australia, or any island adjacent to the United States, the entry should show the ultimate destination. Where the ticket is routed to a place in Canada, Mexico, Cuba, Central America, Europe, Asia, Africa, Australia, or any island adjacent to the United States, but the alien intends to land in the United States, the entry should show the place in the United States at which he intends to land. Where the ticket is routed to a place in the United States, but the alien intends to proceed to a place in Canada, Mexico, Cuba, Central America, Europe, Asia, Africa, Australia, or any island adjacent to

B. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full.* Each steamship line should take care that the names of passengers are correctly spelled.

Column 3. *Whether married or single.* In answer to this column should be expressed in the words "married" or "single" the fact as to each alien.

Column 4. *Age.* The entry should be either Male or Female.

Column 5. *Married women.* The entry should be "Married" or "Single," "Widowed," or "Divorced."

Column 6. *Calling or occupation.* The entry should describe the occupation, trade, or profession of each alien, if any. For example: Clerk, cook, cooper, engineer, farmer, farm laborer, housekeeper, shoemaker, wood turner, etc., and not such general terms as "laborer," "mechanic," "factory operative," "gentleman," or "lady."

Any alien who shall be found to have been engaged in the practice of polygamy, or who is a polygamist, or who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or is a member of or affiliated with any organization entertaining a belief in, teaching, or advocating the unlawful destruction of property, or who is an anarchist, or who is a prostitute, or who has been within one year from the date of his application for admission into the United States, practicing prostitution or procuring or attempting to procure women or girls for the purpose of prostitution, or who has been deported as an alien who has been found to be within any of the classes enumerated in section three of the Immigration Act, and who seeks admission within one year from the date of such deportation, is excluded and debarred from admission into the United States.

Column 8. *Last permanent residence.* The entry should describe the country in which each alien has had a fixed abode and domicile, and not a place where he has been a sojourner. In this column, for example, Canada, Mexico, Cuba, Porto Rico, Hawaii, Philippine Islands, Panama, Costa Rica, Salvador, Nicaragua, Honduras, Guatemala, Belize, Bermuda, Jamaica, Barbados, Trinidad, Tobago, Demerara, Leeward Islands, Windward Islands, Dutch Guiana, or Liberia, should not be entered unless the alien has resided there for a sufficient length of time to establish a permanent residence. If the alien has resided in more than one country, that country should be entered in which he has had a permanent residence for the longest period of time. In answering this question, the words "United States," "America," "New York," "Chicago," or "Philadelphia" should not be entered. Persons who have resided in the United States for a sufficient length of time to establish a permanent residence should be entered as from the United States, and persons who have resided in Canada for a sufficient length of time to establish a permanent residence should be entered as from Canada. Persons who have resided in Cuba, Porto Rico, Hawaii, Philippine Islands, Panama, Costa Rica, Salvador, Nicaragua, Honduras, Guatemala, Belize, Bermuda, Jamaica, Barbados, Trinidad, Tobago, Demerara, Leeward Islands, Windward Islands, Dutch Guiana, or Liberia, should not be entered as from those countries unless they have resided there for sufficient length of time to establish a permanent residence.

Do not enter "New York" unless the alien intends to remain in the city of New York, but enter the name of the city, town, or village in which he intends to reside. Column 18. *Whether having been in penal institution or reformatory, and if so, what and where.* The entry should be "Yes" or "No," as the fact may be, and if "Yes" the character of the institution and the locality where each alien was last in such institution should be entered in the column.

Welsh people of the Welsh race, whether born in Wales or Negroes.

SCOTCH

Scotch people of the Scotch race, whether born in Scotland or Negroes.

IRISH

Irish people of the Irish race, whether born in Ireland or Negroes.

AFRICAN (BLACK)

African (black) natives of Africa, Negroes born in the United States or in the West Indies, South or Central America, Europe, or elsewhere, of African parentage or descent.

ITALIAN NORTH

Emigrants who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Venetia, and Lombardia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or elsewhere, should be classed as "Italian north." Most of these people speak a Gallic dialect rather than Italian.

ITALIAN SOUTH

The people who are natives of that part of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, Sardinia, and Elba, and their descendants, should be classed as "Italian south."

Citizenship. Actual or attempted residence for the year shall constitute permanent residence. The last permanent residence, as evidenced by the intent at remaining one year or more, is the last permanent residence, regardless of length of actual residence therein. The entries in this column should be governed by the foregoing definition of last permanent residence. It is important that the intending immigrant should state the country of his permanent residence rather than the country of which he is a citizen or subject, as, for example, a native of Germany, who has resided in the United States for many years, but has not become a citizen thereof, should state that his permanent residence is in the United States, and not in Germany. Many persons who are citizens and residents of the United States and who have been temporarily abroad, have considered the United States their permanent residence, and have returned to the United States with the intention of remaining permanently. Persons who have resided in the United States for a sufficient length of time to establish a permanent residence, and who have returned to their native country, or have gone to some other country, with relatives, leaving their families in the United States, with the intention of returning to the United States, have not established a permanent residence abroad. Persons who have resided in Canada, Mexico, Cuba, Porto Rico, Hawaii, Philippine Islands, Panama, Costa Rica, Salvador, Nicaragua, Honduras, Guatemala, Belize, Bermuda, Jamaica, Barbados, Trinidad, Tobago, Demerara, Leeward Islands, Windward Islands, Dutch Guiana, or Liberia, for a sufficient length of time to establish a permanent residence, have established a permanent residence in those countries. Persons who have resided in Canada, Mexico, Cuba, Porto Rico, Hawaii, Philippine Islands, Panama, Costa Rica, Salvador, Nicaragua, Honduras, Guatemala, Belize, Bermuda, Jamaica, Barbados, Trinidad, Tobago, Demerara, Leeward Islands, Windward Islands, Dutch Guiana, or Liberia, for a sufficient length of time to establish a permanent residence, have established a permanent residence in those countries. Persons who have resided in the United States for a sufficient length of time to establish a permanent residence, and who have returned to their native country, or have gone to some other country, with relatives, leaving their families in the United States, with the intention of returning to the United States, have not established a permanent residence abroad. Persons who have resided in Canada, Mexico, Cuba, Porto Rico, Hawaii, Philippine Islands, Panama, Costa Rica, Salvador, Nicaragua, Honduras, Guatemala, Belize, Bermuda, Jamaica, Barbados, Trinidad, Tobago, Demerara, Leeward Islands, Windward Islands, Dutch Guiana, or Liberia, for a sufficient length of time to establish a permanent residence, have established a permanent residence in those countries. However, in answering this question, the words "United States," "America," "New York," "Chicago," or "Philadelphia" should not be entered. Persons who have resided in the United States for a sufficient length of time to establish a permanent residence, and who have returned to their native country, or have gone to some other country, with relatives, leaving their families in the United States, with the intention of returning to the United States, have not established a permanent residence abroad. Persons who have resided in Canada, Mexico, Cuba, Porto Rico, Hawaii, Philippine Islands, Panama, Costa Rica, Salvador, Nicaragua, Honduras, Guatemala, Belize, Bermuda, Jamaica, Barbados, Trinidad, Tobago, Demerara, Leeward Islands, Windward Islands, Dutch Guiana, or Liberia, for a sufficient length of time to establish a permanent residence, have established a permanent residence in those countries. Persons who have resided in Canada, Mexico, Cuba, Porto Rico, Hawaii, Philippine Islands, Panama, Costa Rica, Salvador, Nicaragua, Honduras, Guatemala, Belize, Bermuda, Jamaica, Barbados, Trinidad, Tobago, Demerara, Leeward Islands, Windward Islands, Dutch Guiana, or Liberia, for a sufficient length of time to establish a permanent residence, have established a permanent residence in those countries. However, in answering this question, the words "United States," "America," "New York," "Chicago," or "Philadelphia" should not be entered. Persons who have resided in the United States for a sufficient length of time to establish a permanent residence, and who have returned to their native country, or have gone to some other country, with relatives, leaving their families in the United States, with the intention of returning to the United States, have not established a permanent residence abroad

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years; or, if under 1 year, in months, the latter appended to the number 0 (zero).

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, chemist, brass polisher, steel polisher, instrument maker, wood turner, etc., and not simply as engineer, polisher, maker, turner, or other indefinite designations.

A careful distinction should be made between farmers and farm laborers, regardless of the amount of money the former may possess.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Special care should be taken to secure correct and complete answers to this question, and all returns in which the entry is illegible, incomplete, or unsatisfactory will be subject to challenge by the examining officers.

Column 8. *Nationality.*—This column is subdivided and contains the following question:

Read what country.—In the case of persons born in Austria-Hungary, Russia, Turkey, or the Balkan States, specific answers will not be regarded as sufficient. For instance, "Austro-Hungarian," "Russian," "Turkish," "Balkan," or "Slavonian" will not be accepted, but the race or people and, ordinarily, the language spoken should be given. Persons born in Austria-Hungary should be described as Austrian, Hungarian, Croatian, Slovak, Dalmatian, Bohemian, Polish, Ruthenian, etc., according to the country, province, or district from which they came. Persons born in Turkey should be described as Turkish, Armenian, Syrian, Arabian, Albanian, Greek, Bulgarian, Servian, Montenegrin, Roumanian, Macedonian, Herzegovinian, etc., according to the country, province, or district from which they came. Persons born in Russia should be described as Russian, Finn, Lithuanian, Polish, Lettish, Ruthenian, Georgian, etc., according to the country, province, or district from which they came. Persons born in the British Isles should be described as English, Scotch, Welsh, Irish, etc., and not as British. Persons born in Canada should be described as Canadian, Canadian-French, Canadian-Scotch, etc., according to the racial element predominating. Persons born in the West Indies should be described as natives of the island of birth, whether British, French, Dutch, Danish, or Spanish. Persons born in Mexico should be described as Mexican, Mexican-Indian, etc., according to the racial element predominating. Persons born in Central or South America should be described as natives of the country of birth, whether Argentine, Brazilian, Chilean, Colombian, Costa Rican, Cuban, Ecuadorean, Guatemalan, Haitian, Honduran, Nicaraguan, Panamanian, Paraguayan, Peruvian, Salvadorean, Uruguayan, Venezuelan, etc. Persons born in Africa should be described as natives of Liberia, Egypt, Abyssinia, or other African country, or as Negroes, Hamites, Arabs, Kaffirs, Berbers, Moors, Abyssinians, etc., according to the race or people to which they belong. Persons born in Australia, New Zealand, Tasmania, Fiji Islands, Hawaii, Philippine Islands, Samoa, Guam, Tutuila, Porto Rico, Hongkong, Straits Settlements, Borneo, Sumatra, Java, Celebes, Japan, China, Siam, Arabia, Persia, Afghanistan, Beluchistan, Thibet, Burma, Hindustan, Cochin China, Malay Peninsula, and other countries, islands, and colonies should be described by the name of the country, island, or colony.

Column 9. *Race.*—Each person must be classified as to race. The following list of races should be used, and no other, except that synonyms of these races may be used if specially directed:

Anglo-Saxon, Bohemian, Bulgarian, Celtic, Croatian, Dalmatian, Dutch, English, Finnish, French, German, Greek, Hebrew, Irish, Italian (North), Italian (South), Lithuanian, Magyar, Mexican, Moorish, Pyrenean, Roumanian, Russian, Ruthenian, Scandinavian, Scotch, Servian, Slovak, Slovenian, Spanish, Spanish-American, Turkish, Welsh, West Indian.

Special attention is directed to the distinction between race and the country of which a citizen or subject. The latter must not be used. For instance, "France" appearing under the heading "Nationality" means that the person is a citizen or subject of France, but does not indicate whether the race or people is Basque, Breton, Celtic, French, Gascon, Norman, Pyrenean, Teutonic, or any other race or people. Persons born in France should be described as Basque, Breton, Celtic, French, Gascon, Norman, Pyrenean, Teutonic, or any other race or people. An Irish, German, or Hebrew citizen of Russia should be described as Irish, German, or Hebrew, and not as Russian. A native of Switzerland may be of the Teutonic, French, Italian, or Ruthenian race, and should be described accordingly. A native of England, Switzerland, or any other country may be of the Hebrew race, and should be especially observed.

CUBAN

The term "Cuban" refers to the Cuban people but Negroes.

WEST INDIAN

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN

Spanish-American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African race. Do not confuse Colored citizens of the West Indies, North or South American, European, or African with admixture of blood of the African Negro should be reckoned under this head.

ITALIAN—NORTH.

The people who are natives of that basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or other countries), should be classed as "Italian—north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Umbria, Tuscany, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian—south."

Barred classes.—Aliens belonging to certain classes specified in the immigration act are excluded from admission into the United States. Any person who is a member of one of the barred classes may be admitted to the United States if he has been a lawful permanent resident of the United States for a continuous period of one year or more previous to his return from a temporary visit abroad, and is returning to the United States unaccompanied by, or to join, a husband, wife, parent, or child who is a lawful permanent resident of the United States. The returning alien must establish to the satisfaction of the immigration officer at the port of entry that he is entitled to the benefits of this provision. Any alien who is a member of one of the barred classes, and who is not entitled to the benefits of the above provision, should be denied admission to the United States, unless he is in possession of a valid immigration visa. The following persons belong to the barred classes:

Column 10. *Last permanent residence.*—The answer should show the intended future permanent residence. Visitors from foreign countries should not report their former permanent residence in the United States, unless they intend to make permanent residence within the United States at the present time.

Column 14. *Whether an anarchist.*—The answer should be either Yes or No.

Column 15. *Whether coming under contract or agreement to perform labor.*—Aliens brought by the head of a family should not be reported as coming under contract or agreement to perform labor.

Column 16. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether the alien has ever been in the United States before, and if so, the year or period of year and place.

Column 17. *Whether ever before refused admission to the United States, and if so, when.*—The answer should show whether the alien has ever been refused admission to the United States, and if so, when.

Column 18. *Whether ever before deported from the United States, and if so, when and what cause.*—The answer should show whether the alien has ever been deported from the United States, and if so, when and for what cause.

Column 21. *Whether the alien has been in prison or almshouse within the past year, and if so, for what length of time.*—The entries should show whether the alien has been in prison or almshouse within the past year, and if so, for what length of time.

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full of each passenger.* Steamship lines should make a separate sheet for each day's sailing. The surnames and Christian names of all persons must be entered in this column. The space allotted to each name is sufficient for only one name, and the names must not be written one below another in the same space.

Column 3. *Age.* Ages are to be entered in this column, the years of age of persons who have passed their first birthday should be expressed in years, and those of persons who have not passed their first birthday in months, the latter being indicated by the letter "M" or "m."

Column 4. *Sex.* The entry should be either M. male, or F. female.

Column 5. *Married or single.* The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 6. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, profession, or other means by which each alien maintained himself or herself during the last year or other period of residence in the country whence he or she came, as for example: Civil engineer, shoemaker, stonecutter, lawyer, merchant, tailor, painter, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, servant, or clerk, unless no other occupation has been pursued, or unless these words are used to indicate the grade of skill.

Attention is called to the fact that a distinction is made between common laborers and farm laborers, so that those of the above class who are to engage in farming may be properly identified.

Women and children should be returned according to the occupations of the male members of the family to which they belong or with which they are associated, as, for example, wife, daughter, child, or servant, without occupation, unless they have an occupation of their own, as stated above.

Column 7. *Whether able to read or write.* The answer should be Yes or No. Persons who can read in any language, but not write, should be returned as able to read only. Persons who can write, but not read, should be returned as able to write only. Persons who can read and write should be returned as able to read and write. Persons who can neither read nor write should be returned as unable to read or write.

Column 8. *Nationality.* The entry should show the country of which the person named is a native. Care should be taken to distinguish between countries and races. Austria, Hungary, Germany, Russia, England, Scotland, Ireland, Wales, Turkey, France, Spain, Portugal, Italy, Sweden, Norway, Denmark, Holland, Belgium, Switzerland, Greece, Roumania, Bulgaria, Servia, Montenegro, Mexico, China, Japan, India, Arabia, Africa, Australia, and Cuba are countries; Bohemian, Moravian, Polish, Slovak, Dalmatian, Croatian, Slavonian, Ruthenian, Finnish, Lapp, Hebrew, Armenian, Canadian, Canadian-French, Acadian, Mexican, Indian, Negro, Mulatto, Chinese, Japanese, Hindu, Arabian, Syrian, Turkish, Persian, Australian, Maori, Cuban, Porto Rican, Haytian, Jamaican, and other West Indian are races. Persons born in Canada, Cuba, Mexico, or the West Indies should be returned as natives of those countries, and not as natives of Canada, Cuba, Mexico, or the West Indies, unless they are of the black or negro race. Persons born in Scotland should not be returned as natives of Great Britain, or of any other country. In this column the exact words to be used are: Austria-Hungary, Germany, Russia, England, Scotland, Ireland, Wales, Turkey, France, Spain, Portugal, Italy, Sweden, Norway, Denmark, Holland, Belgium, Switzerland, Greece, Roumania, Bulgaria, Servia, Montenegro, Mexico, China, Japan, India, Arabia, Africa, Australia, Cuba, Bohemian, Moravian, Polish, Slovak, Dalmatian, Croatian, Slavonian, Ruthenian, Finnish, Lapp, Hebrew, Armenian, Canadian, Canadian-French, Acadian, Mexican, Indian, Negro, Mulatto, Chinese, Japanese, Hindu, Arabian, Syrian, Turkish, Persian, Australian, Maori, Cuban, Porto Rican, Haytian, Jamaican, and other West Indian.

Column 9. *Last permanent residence.* Actual or intended residence of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence there. These instructions are designed to secure returns which will accurately show country of last permanent residence of persons coming to the United States, and not merely country of temporary residence, country of birth, nationality, or race.

Column 10. *Whether going to join relatives or friends, and if so, what relatives or friends, and their names and complete addresses.* Persons who are permanent residents of the United States should be returned as going to join relatives or friends in the United States, and the name and address of such relative should be given. The entry should be "None" in the case of persons who have no money. Persons who have been in the United States before, and who, the year preceding or year next preceding their last arrival, have had $50 or more in their possession, should be returned as having $50 or more, no matter how much less than $50 they may have had at the time of their arrival.

Column 13. *Whether ticket is prepaid and by whom.* The answer should be Yes or No, as the case may be, and it should show whether the ticket is prepaid by the person himself or herself or by relatives or friends, and if so, what relatives or friends, with name and complete address.

Column 14. *Final destination.* The question and explanations and the answers thereto should relate to the country for which the alien is destined, and not to the immediate destination. However, in answering question 9, it also is desired that the name of the city and the State to which the alien is destined be given. If the alien is destined to the United States and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Last residence.* Steamship lines should make every effort to obtain the exact address. The name of city or town should be given, not merely the country or province.

Column 3. *Destination.* The name of the State in this column should be carefully noted, as in many instances, the duplicate appearing in the United States case.

Column 5. *Sex.* The entry should be either M or F, for male or female.

Column 6. (*Married or single.*) The answer should be M, married, S, single, W, widowed, or D, divorced.

Column 7. *Calling or occupation.* The entry should describe as exactly as possible the occupation pursued by each person at the time of arrival. For example: Coal miner, tin miner, iron miner, laborer, farmer, common laborer, brass polisher, steel polisher, pearl worker, wood turner, etc., and not merely laborer, miner, polisher, turner, or other indefinite description.

Age should be made between parents and from latest birthday, regardless of the amount of money in possession.

Any person who operates a farm, either for himself or for another.

Any person who follows the occupation of a laborer, regardless of the nature of his work.

Should be carefully scrutinized, and the particulars carefully and correctly recorded. Questions 9 and 10 should be answered by the words "Yes" or "No," as the case may be.

Question 9. *Have you a ticket, etc.* This question is to be answered in the affirmative if the alien has a ticket, whether purchased by himself or others, or if he has sufficient money in his possession to pay his railroad fare to destination. If he has not, and is assisted by any individual or society, the name of such individual or society should be given in answer to question 10.

Question 10. *If not, by whom was he assisted?* The answer should be "Himself," "Wife," "Friends," "Steamship company," "Charitable society," "Church society," "Government," or "Municipality," as the case may be.

Question 11. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* The answer should be "Yes" or "No," as the case may be, and if "Yes" should show the name of the relative or friend, his relationship, and complete address.

Question 12. *Whether ever before in the United States, and if so, when and where.* The answer should be "Yes" or "No," as the case may be, and if "Yes" should show when and where. The entries should be carefully scrutinized, and if the answer is "Yes," the date should be carefully noted.

Question 13. *Whether ever in prison or almshouse or supported by charity, and if so, what and when.* The answer should be "Yes" or "No," as the case may be, and if "Yes" should show when and what institution or locality.

Question 14. *Whether a polygamist.* The answer should be "Yes" or "No," as the case may be.

Question 15. *Whether an anarchist.* The answer should be "Yes" or "No," as the case may be.

Question 16. *Whether coming by reason of any offer, solicitation, promise, or agreement, expressed or implied, to perform labor in the United States.* The answer should be "Yes" or "No," as the case may be.

Question 17. *Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law.* The answer should be "Yes" or "No," as the case may be.

Question 18. *Whether a person who disbelieves in or is opposed to organized government, or who advocates or is a member of or affiliated with any organization entertaining such disbelief in or opposition to organized government.* The answer should be "Yes" or "No," as the case may be.

Question 19. *Whether a person who advocates or is a member of or affiliated with any organization that advocates the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government, because of his or their official character.* The answer should be "Yes" or "No," as the case may be.

Question 20. *Whether a person who advocates or is a member of or affiliated with any organization that advocates the unlawful destruction of property.* The answer should be "Yes" or "No," as the case may be.

Question 21. *Whether deformed or crippled, and if so, how and cause.* The answer should be "Yes" or "No," as the case may be, and if "Yes" should show how and cause.

Question 22. *Height.* The entry should be made in feet and inches.

Question 23. *Complexion.* The entry should be made as light, medium, or dark.

Question 24. *Color of hair and eyes.* The entry should be made as black, brown, auburn, gray, blue, hazel, etc.

Question 25. *Nationality.* The entry should be made as Irish, German, or Hebrew, etc., and not as Austrian, Russian, English, Scottish, or any other country. In this connection the following should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

The term "Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, and also to the Negroes of the West Indies, Central America, Europe, or Africa. All such should be described as Blacks or Negroes. Mixed blood of the African Negro with other races should be carefully observed.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria, France, or other country, should be classed as "Italian (north)." Most of these people speak Gallo-Italic rather than the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, Latium, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Question 26. *Last permanent residence.* Actual or an intended residence for one year shall constitute permanent residence. The last permanent residence regardless of length of last temporary residence. It should show country and city or town of last permanent residence. It is important for several purposes to ascertain aliens' permanent residence rather than country of birth, nationality, or race.

Question 27. *Whether a citizen of the United States.* Persons who are permanent residents of the United States and who have declared their intention to become citizens of the United States should be recorded "United States."

Question 28. *Name and complete address of nearest relative or friend in country whence alien came.* The answer should show the name and address of such relative. It must be a relative living in country whence alien came.

Question 29. *Ever in the United States.* The answer should be "Yes" or "No," as the case may be, and if "Yes" should show when and where. It is important that the exact dates of admission and departure be obtained. An attempt should be made to ascertain whether the alien has been in the United States before, even though he may claim that he has not been here before. If he has been here before, the place, approximate date, and length of time of his last residence within the United States should be carefully ascertained.

Question 30. *Whether going to join a friend in the United States.* The answer should be either "Yes" or "No," as the case may be.

Question 31. *Have you paid your own passage?* The entry should show whether the passage was paid by the alien himself, by money sent by relatives or friends, by steamship company, etc.

Question 32. *How much money have you with you?* The answer should show the exact amount of money in possession, whether in gold, silver, paper, or express or bank drafts, and should not be stated in round numbers. Money brought by the head of a family should be accounted for by each member of the family.

Question 33. *Whether you have a ticket through to the United States, and if so, where?* The entry should show whether the ticket is through to the United States, and if so, the place (or points) to which it is through, as Philadelphia, Pittsburgh, Chicago, etc.

Question 34. *Whether the passage is paid by any relative or friend, and if so, what relative or friend.* The answer should show whether the passage is paid by a relative or friend, and if so, what relative or friend, with name and complete address.

Question 35. *Height.* This question is self-explanatory and the answers, like all others on the sheet, are subject to verification by immigrant officials in the examination of aliens. However, in answering question 35, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head of family*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—Line answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or peoples does not mean "France" by country. An Irish, German, or Hebrew alien by race should properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., northern Italy with the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last entry in which alien recorded with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereof. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No (a ticket or No ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of a vessel at the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master of the vessel to deliver to the principal immigration officer in charge of the port at which the vessel arrives a list containing the names of all aliens employed on said vessel, stating the capacity in which they respectively served on the ship's company, when and where they were respectively engaged or contracted with, and specifying those to be paid off and discharged at the port of arrival, and the contents of such other information as the Secretary of Labor shall by regulations require, and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has taken French leave from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a list containing the names of all alien employees who were not employed thereon at the time of the arrival of the vessel at the port of arrival, and the time of their departure and also the names of those, if any, who have shipped as part of the crew and deserted, and of those, if any, who have discharged or landed and remained in the habit of such owner, agent, consignee, or master to deliver either of the said lists at the time of entry and departure respectively, or to report and give reasons for the failure of any alien to arrive, depart, or remain as specified in such lists, which reasons shall be noted by the Secretary of Labor, or by such officers as he may designate, in his discretion, in the case of each alien specified in the lists. Any owner, agent, consignee, or master who refuses to deliver such lists, or who refuses or neglects to report, or to give reasons for the failure of any alien to arrive, depart, or remain as specified in such lists, or who refuses or neglects to report any such case of desertion, or knowingly makes any false report in regard thereto, or to any other matter touching the right of any alien to land, every such owner, agent, consignee, or master shall be deemed guilty of a misdemeanor, and shall be punished by a fine not exceeding $1,000 for each such offense. The Secretary of Labor may, in his discretion, refuse clearance to any vessel the master or commanding officer of which refuses or neglects to deliver the lists required of him by this section, or to make the report and furnish the information required by this section in regard to any alien, until such master or commanding officer shall have complied with the requirements of this section to the satisfaction of the Secretary of Labor. Upon the refusal of the master or commanding officer of any vessel to deliver the lists required by this section, or to report any case of desertion, or to furnish the information required by this section in regard thereto, each alien employed on such vessel who may have been entered on the lists delivered on the arrival of the vessel at the port of arrival, and who has not been so entered on a true report of the crew, may be required to give a bond, with sufficient sureties, in a sum not exceeding $1,000, conditioned for the payment of the head tax which may be imposed by law against such alien, and for his delivery to the proper immigration officer when required to do so, within such time, not exceeding one year from the date of the bond, as may be prescribed by the Secretary of Labor. Such bond shall be void upon the delivery of such alien to the proper immigration officer when required, but if suit upon such bond shall be brought by the United States for the breach of any condition thereof, the payment of the head tax by such alien shall not be a defense to such suit. Pending the determination of the liability to the payment of such head tax, the alien may be detained, or in the discretion of the Secretary of Labor, released from custody upon the deposit of such sum of money with such immigration officer as the Secretary of Labor may require, not exceeding $100, or upon the execution by such alien and two sureties, to be approved by such officer, of a bond in such sum, not exceeding $500, as the Secretary of Labor may require, conditioned for the appearance of such alien before such officer for a hearing upon the question of the liability of such alien to the payment of such head tax, and, in the event such alien is required to appear, for his submission to such further inquiry as may be had upon the question and his departure to the country whence he came, pursuant to such reasonable rules and regulations as may be prescribed by the Secretary of Labor. Upon the termination of the proceedings the money deposited as a condition to the release of the alien may be applied to the payment of the head tax if the decision be adverse to the alien, and any balance remaining shall be returned to the depositor or his successor in interest. If the money deposited exceeds the amount required for the head tax, the excess shall be returned to the depositor or his successor in interest at once. If the head tax be not paid, and the alien fail to comply with the conditions of the bond, or any of them, the amount for which the bond was given may be sued for and recovered by the United States for the use of the Immigrant Fund. Nothing in this section shall be construed to require the payment of the head tax by any alien entitled to admission to the United States under existing treaties who shall establish his identity as such to the satisfaction of the Secretary of Labor, or to require any such alien to enter into bond as a condition to his release from custody or detention: *Provided*, That clearance may be granted pending the determination of any question upon deposit of such amount as may be required to cover such fees.

Arriving and departing seamen shall be manifested on the lists or forms provided for that purpose by the department in accordance with the terms of section 36. When an arriving seaman [illegible] such direction to that effect should be made upon the manifest.
